MEDICAL REPORT

RE: AJAYI BOLUWATIFE AYOMIKUN/M/19YEARS

The above named person is known patient of this health facility, he presented to the clinic about 2 years ago on account of bumps in the chin as result of shaving. He was placed on cream, emollients and anti-itch medication.

Unfortunately, there was less improvement. Therefore, he cannot do a clean shave but beard can be at low level, please assist in all regards.

Thanks you in anticipation.

Yours faithfully,

DR. ADEWALE H.E
